ASSUMPTION PARISH, BALLYFERMOT, D10 - IMPORTANT ANNOUNCEMENT

Following the latest Government, HSE and Diocesan directives we have decided, with immediate effect, to cancel all Masses at Assumption Parish Church, apart from a 7am Mass every morning, and Funeral Masses as they may arise.

We've already been having a 7am, Monday to Friday, during Lent. We will extend it now to Saturday and Sunday. This Mass will be available live, via our webcam at

www.assumptionballyfermot.ie, and will also be recorded so it can be viewed

later in the day. This 7am will be the only public Mass, apart from Funeral Masses, celebrated in Assumption until further notice. Remember, there is no obligation for anyone to attend Sunday Mass during the virus crisis.

Attendance at Weddings, Baptisms, and, as difficult as it may be, at Funeral Masses, should be restricted to close family and some few, very close, friends.

Again, funerals can be viewed live via our webcam at

www.assumptionballyfermot.ie.

The church will be open throughout most days, up until 4pm, for people to come and pray, or light a candle. The Parish Lotto, and all collections, are suspended too.

Other parishes may have other arrangements. These, we believe, are best for us, and the health and wellbeing of all, especially the most vulnerable. Let's mind each other and pray for each other.

+++++

We keep in prayer the boys and girls of St. Gabriel's, St. Michael's and St. Raphael's Schools who had their Confirmation Ceremony so disappointingly cancelled at the last minute on Thursday last. It will be all the more special when it does come around! :-)
