Support Services for Older and Vulnerable People

COVID-19 community supports are now in place to ensure vulnerable members of the community are reached and helped at this time.

These comprise the local authority, Health Service Executive, County Champions, An Post, Community Welfare Service, An Garda Síochána, other State organisations, charities and other stakeholders.

These Dedicated helplines are focused specifically on ensuring that the cocooning elderly, vulnerable members of the community or those living alone can access deliveries of groceries, medicine and fuels.

Please try to ensure any vulnerable or elderly people in your parish help are aware of these services.
